Department of Management Science (BCA), MIT CIDCO has organized a webinar on the General Data Protection Regulation (GDPR) on 17/07/2020. The resource person of this webinar was Mr. Kamal Achary, trained counselor, Microsoft professional, EU GDPR professional & Data Protection Officer. In his talk, he explained many things regarding how personal data can be stolen by other companies? which care we have to take while putting our personal information anywhere? How to protect our data? etc. He again explained how this Act work at EU and what are the provisions there are under this Act. He also detailed about the future scope of GDPR in India.

Students and faculties raised their question and Mr. kamal gave them satisfactory answers and clears their doubts.

Principal Dr. Mahendra Kondekar, Mr. Santosh Chavan and all the faculty members worked hard to make the event successful.
