2.3.2 Teachers use ICT enabled tools for effective teaching-learning process.

Besides the chalk and talk method of teaching, the college makes intensive use of ICT-enabled tools, including online resources for effective teaching and learning process. The faculty use ICT enabled classrooms with LCD projectors, internet connectivity, software, PowerPoint presentations developed by teachers to expose the students to advanced knowledge and practical learning. Projectors are installed in all classrooms to incorporate new pedagogies in the teaching-learning process. Printing facility is available in all the labs. The students and faculty make use of email, group mails, and social networking tools like Whatsapp, Telegrametc. for instantaneous communication and information dissemination. ERP easy-to-use tools that help teachers manage coursework like Assignment, PPT, Quiz , Class test etc. All kinds of Teaching aids, including ATAL, NPTEL, SWAYAM and modern teaching and learning methods available in the College are regularly used by the teaching faculty to give the students a better learning experience. All the departments and faculties conduct and attend online FDP, workshops, webinars, online quiz and guest lectures on the new developments and latest issues in the core subjects for effective teaching and learning The entire Campus has connection with broadband internet.
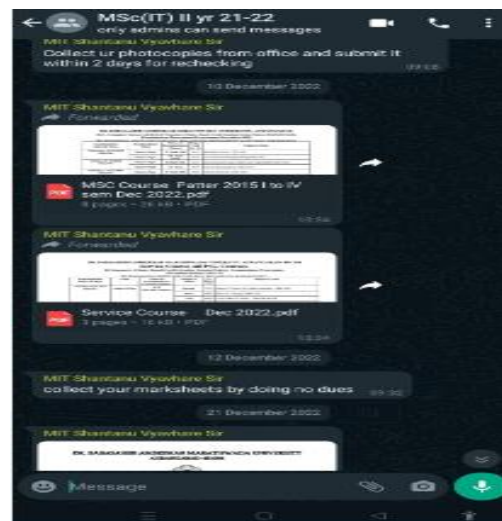

ATAL Certificate

Use of LCD Projector
