REPORT ON “TWO DAYS COVID-19 VACCINATION CAMP”

Two Days Covid-19 Vaccination Camp was organized at MIT CIDCO Aurangabad on 28th and 29th October 2021 in association with Aurangabad Municipal Corporation, MIT Hospital Aurangabad, and National Services Scheme (NSS).

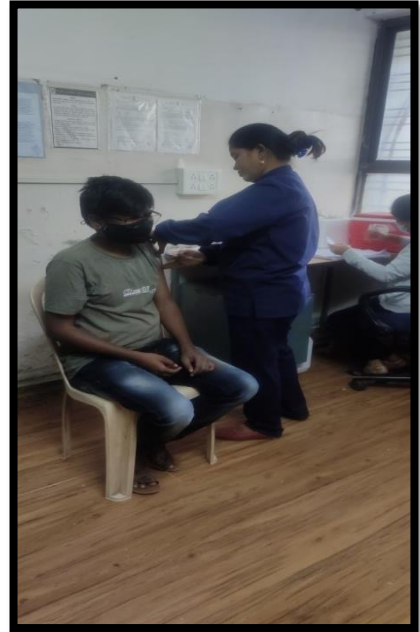

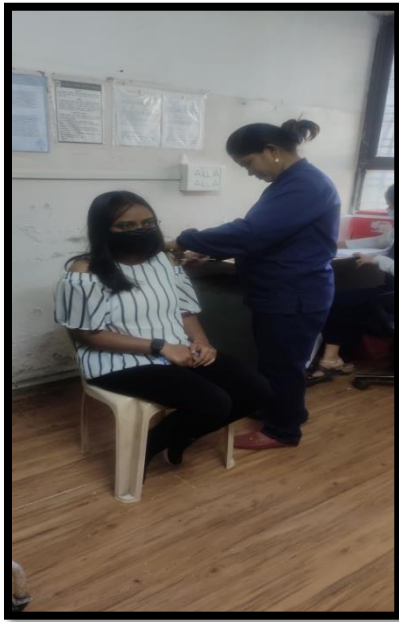

Covishield and Covaxine vaccines were available to all people who are interested. This vaccination camp was organized for the persons aged 18 years and above in which mainly college students, staff and family members participated and got immunization done. During this all protective measures related to covid-19 were adopted.

The acting principal of the college, Dr. Mahendra H. Kondekar said that if we want to defeat corona, then it is necessary to get ourselves and our family vaccinated, vaccine is your protective shield to fight the corona epidemic. He said that by developing a collective immunity by getting more and more vaccinations, we will be able to save the society from the coming danger of corona in future. Apart from this, habits like covid style like mask, two yards, hand and mouth cleaning are very important even after vaccination.

Around 30 people were vaccinated under this camp, which was encouraging for the organizers of the camp.

In the end, the principal of the college, Dr. Mahendra H. Kondekar congratulated the NSS program officers and the Medical Camp Coordinator for the successful organization of the camp and encouraged them to conduct such activities in future also.
