## **Attainment of Programme outcomes and course outcomes**

The college assigns prime importance to the evaluation of performance of the students. By monitoring the attainment of program outcomes, program specific outcomes, course outcomes, this college regularly attempts to evaluate whether the students are able to achieve their goals. At the beginning of the new academic session "Induction Programme" is held where the students are briefed about the vision and mission of the college along with learning outcomes and evaluation process. Lesson plan based on the syllabus prescribed by the university is prepared by the teachers. Keeping the course outcome in mind the teachers prepare a strategic teaching plan. Upgrading laboratories with required equipment and facilities to access e-resources, other web based resources and ICT enabled tools are some of the aids used in the attainment of course outcomes. University level theory and practical examinations help in measuring the attainment level. Each department endeavors to monitor if there is any marked difference in class test results and university level performance. The Institution collects feedback from students, Alumni, Employers and Parents with objectives of identifying the attainment level of students in terms of programme, subject, course and syllabus outcomes and to understand the impact of teaching learning process. Moreover, the college has an active Career Counseling Cell which organizes seminars, webinars, workshops on job opportunities and arranges campus placements so that students can receive proper guidance and be more successful in future.

## **Report on MIT CIDCO College Induction Program - July 12, 2023**

### **Event Overview:**

On July 12, 2023, MIT CIDCO College organized a comprehensive induction program for first-year students and their parents. The event aimed to familiarize participants with the college environment, different courses offered, faculty members, and various aspects of academic and extracurricular activities.

### **Agenda:**

**Welcome by Asst. Prof. Sushma Sapkal:** Asst. Prof. Sushma Sapkal warmly welcomed the students, setting a positive tone for the program.

**Welcome Address by Principal Dr. Mahendra Kondekar:** Dr. Mahendra Kondekar, the college principal, delivered an inspiring welcome address, emphasizing the importance of education and the college experience.

### **Departmental Talks:**

- B.Sc (CS/IT) - Asst. Prof. S. W Quadri
- BCA (Management Science) - Dr. Sheetal Chavan
- B.Sc (AT/WT/RAC) - Asst. Prof. Vaibhav Joshi
- MSc (CS/IT) - Asst. Prof. Shantanu Vyavhare

Each Head of Department provided valuable insights into their respective courses, academic expectations, and career prospects. Special focus was given to Oracle courses, with Asst. Prof. Shantanu Vyavhare and RedHat Center information shared by Trainer Asst. Prof. Rutuja Sontakke.

### **Accounts and Library Information:**

- Accounts Information by Accountant Deshmukh Sir.
- Library Information by Librarian Sheetal Vaidya Madam.

Students and parents received essential details regarding financial matters and library resources to enhance their academic journey.

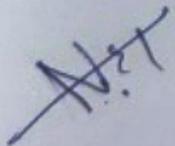

**Guidance on Committees:** Information on various college committees, including anti-ragging, women harassment cell, NSS, etc., was shared to ensure a safe and inclusive college environment.

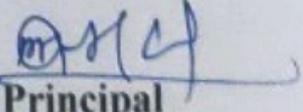

**Kahoot Quiz Activity:** Asst. Prof. Neha Sahuji and Asst. Prof. Madhukar Janire organized an engaging Kahoot quiz activity for the students. Winners were rewarded with prizes, adding a fun and interactive element to the program.

**Vote of Thanks:** The program concluded with a vote of thanks delivered by Asst. Prof. Neha Sahuji, expressing gratitude to all participants, faculty, and staff who contributed to the success of the induction program.

**Conclusion:**

The MIT CIDCO College Induction Program on July 12, 2023, successfully provided first-year students and their parents with a comprehensive understanding of the college's academic offerings, support services, and extracurricular activities. The event fostered a sense of belonging and enthusiasm among the new entrants as they embark on their educational journey at MIT CIDCO College.

## Appreciation Letter

To,  
Dr. Nagsen S. Bansod  
Assistant Professor & Research Guide,  
Dr. G.Y.Patrikar College of CS & IT  
MGM University, Aurangabad

Respected Sir,

Greetings of the Day,

The MIT CIDCO, Aurangabad had organized a **Seminar on "Research Methodology"** on 10<sup>th</sup> March 2023.

The aim of this webinar was to introduce the requirement and syllabus of the research for upcoming students.

It was our pleasure that you accept the invitation and gave an expert talk **on topic "Research Methodology"**, which is very helpful to our participants, gets into the fields and upgrades the knowledge in these areas.

Thank you for giving your valuable time and sharing an important knowledge with our participants. It was an excellent presentation given by you. I appreciate your efforts took on our participants for their further developmental aspects.

There are many positive comments about the knowledge, expertise and quality of your presentations.

Thanking you,

  
Principal

## 2. DETAILS OF SEMINAR —

**Date & Time :** 10<sup>th</sup> March 2023 @ 11.00am (2 Hours)

**Resource persons:**

Dr. Nagsen S. Bansod  
Assistant Professor & Research Guide,  
Dr. G.Y.Patrikar College of CS & IT  
MGM University, Aurangabad

A Seminar on “Research methodology” was organized by the Department of Computer Science and Information Technology (PG) and Research Cell, MIT CIDCO, Aurangabad on 10<sup>th</sup> March 2023 for two hours. Some key points of the Expert is -

- Dr. Nagsen bansod Having M. Sc. Information Technology M. Phil. Computer Science Ph. D. Computer
- Awarded research fellowship from Japan government in student exchange program to visit Tokushima University Japan.
- Awarded Government India Basic Science research National fellowship to research on multimodal Biometric research and development.
- Awarded Mulana Azad national fellowship for speaker recognition system development by government of India during M. Phil. Computer Science.
- Seven Indian National patent published
- He has 12 years teaching experience.

The inaugural function began by Felicitation of guest Dr. Nagsen Bansod by Instituion head Dr. M.H.Kondekar. During Felicitation program Dr. M.H.Kondekar also told students that you can do your career in research field and how that field candidates are important for software industries.

This seminar was engaged through power point presentations and some live examples. He focused on some important hierarchy of Research and some important topics like hypothesis, Models, predictions, conclusion. There are approximately 50 students are benefited through this activity from various classes like BSc(CS/IT), BCA and MSc(CS/IT).

## **One day workshop on preparation of UGC SET/NET exam**

The department of M.Sc.(CS/IT) has organized one day workshop on the topic "How to prepare for the UGC SET/NET exam". The key speaker was our faculty Member Mr. M. S. Janjire(Asst. Professor, CS/IT Dept., MIT, College, Cidco, aurangabad).

Mr. M. S. Janjire sir was first felicitated by the Mr. S. U. Vyavhare sir(HOD, CS/IT PG, MIT, Cidco, Aurangabad). Mr. Janjire sir is currently working in MIT, Cidco, Aurangabad and he has more than 7 years experience in education field. He has qualified the UGC NET exam in June 2019.

He introduced the students to various topics in the preparation of the exam and guided them on various job opportunities after qualifying the NET Exam.

From his own experience, he described how he overcame difficult situations and crack this exam.

He advised the students to improve their communication skills, technical skills, analytical skills, and presentation skills. Mr. S. U. Vyvahare sir HOD, CS/IT PG, MIT, Cidco, Aurangabad), Mr. P.P. Ubale sir were present.

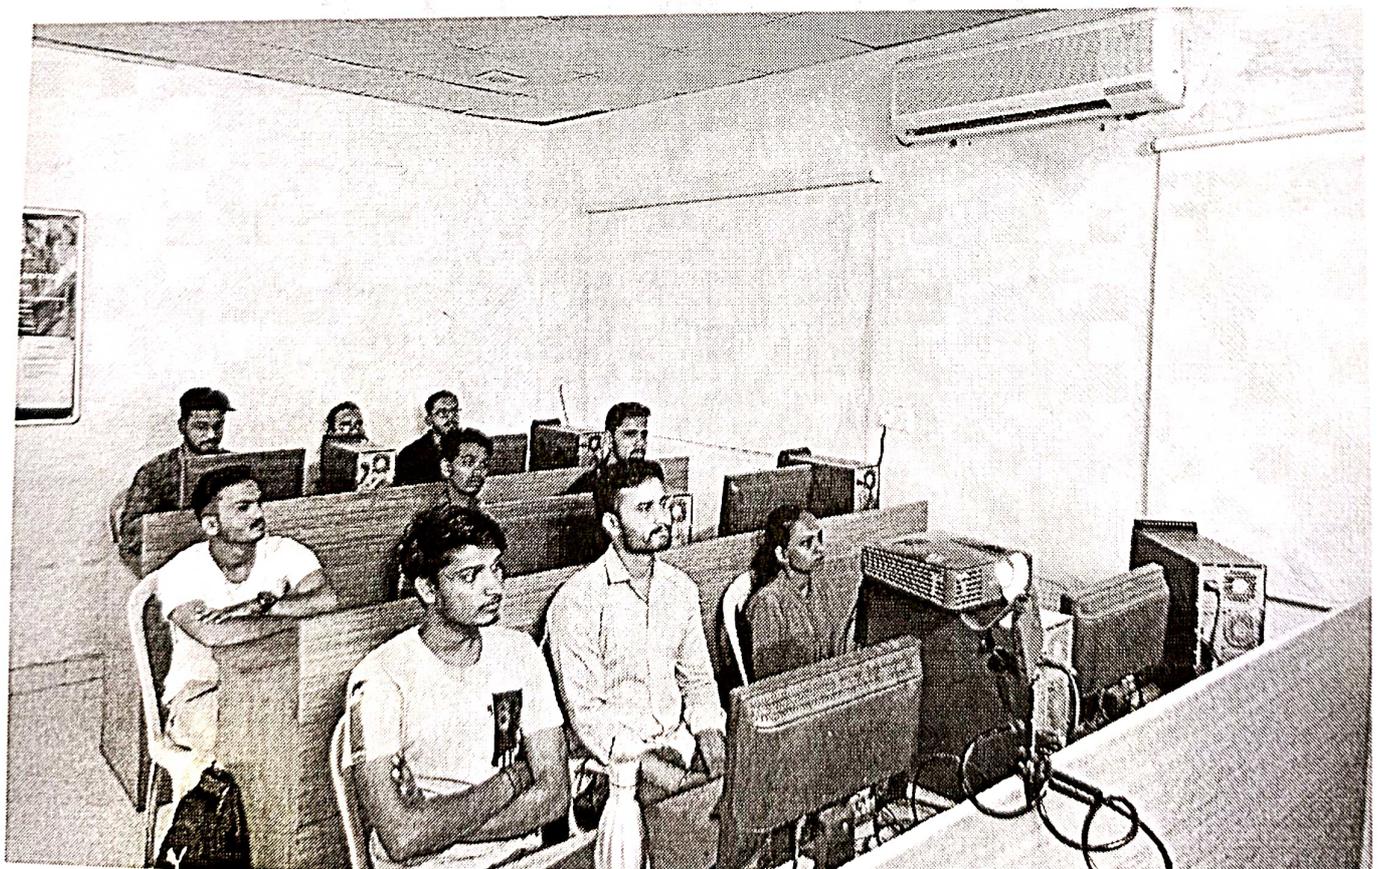

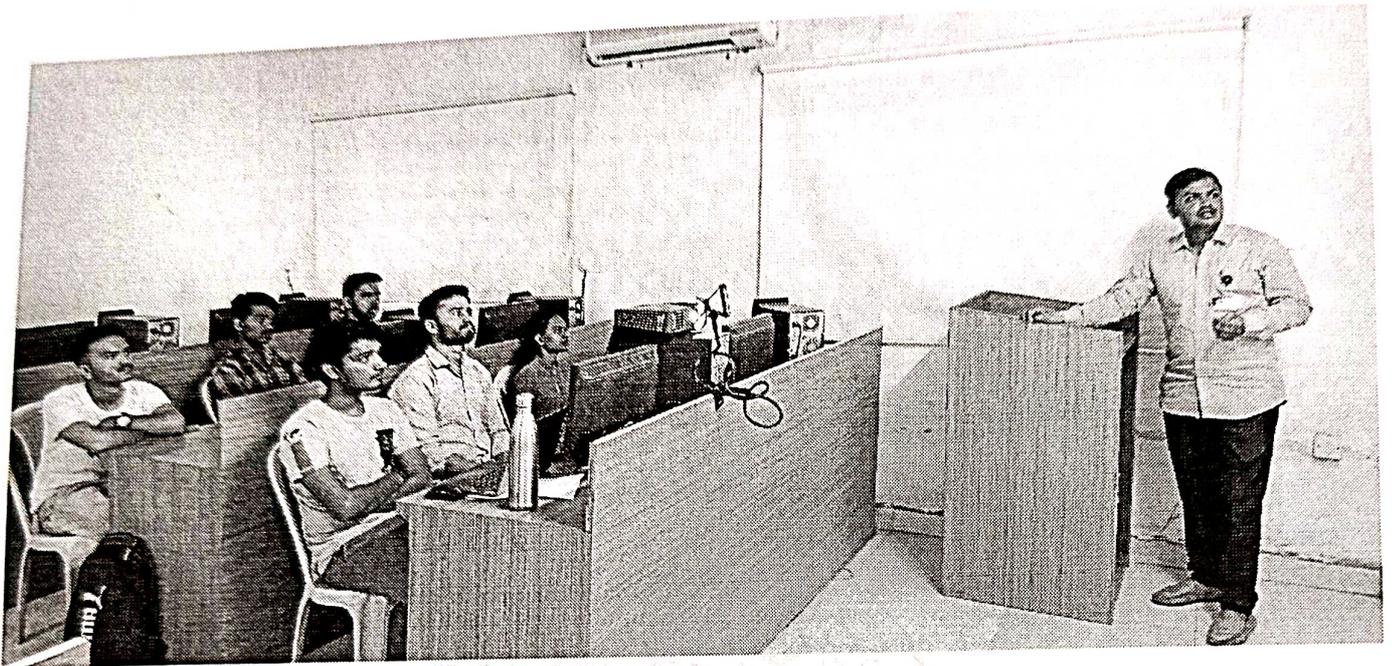

The program was conducted by the Dept. of CS/IT (PG).
