### **2.2.1 - The institution assesses the learning levels of the students and organises special Programmes for advanced learners and slow learners**

MIT CIDCO organizes “Induction Programme” for the first year students every year. The objective of the programme is to formally welcome the newly arrived students to MIT CIDCO Family and assist them in starting their academic journey at MIT CIDCO. The departments use monitoring and mentoring to keep track of slow learners’ progress. Along with teachers, some advanced learners are encouraged to mentor weak students and help them with explanations and notes. Revision classes and counseling sessions are held and additional teaching is taken up if required. Advanced learners are encouraged to study the contents of the syllabus effectively so as to achieve a high percentage of marks. They are oriented towards writing papers and present them in Seminars. They are motivated to undertake online certificate courses in AWS, ORACLE, and NPTEL, TCS iON . Also they are motivated to participate in the various competitions like University Level Avishkar, Hacathon ect. Following activities are done by teachers for students:

Slow learners:

- Individual counseling.
- Bridge Course
- Remedial Coaching
- Extra notes.
- Group discussion session.
- Internal examination process.
- Internet facility.
- Encouragement in NSS, Sports, and academic activities.

Advance learners:

- Advance notes
- Seminar sessions
- Experimental learning sessions i.e., Industrial Tour
- Projects
- Group discussion sessions
- Internet facility.
- Advance questions papers.
- STTP
- Placements
- Flip Classroom

In order to enhance their confidence level, the department conducts different activities such as NSS, Cultural, and Sports to develop their overall personality
