Report of Mentor-Mentee Program/Meeting 2023-24

The Mentor-Mentee Program for UG and PG Students at MIT, CIDCO has successfully conducted its academic year 2023-2024. The program aimed to foster a supportive learning environment, enhance student engagement, and promote personal and academic growth among students and Counselling students during the course. Here in sessions on mentoring were organized as a part of regular teaching sessions. Besides the informal ways in which mentoring was always offered to the students, Out of 652 students, prominently on an average 430 students attended the mentoring sessions and raised their queries. This report provides the program's objectives, an overview of List of the area in which queries were raised prominently, outcome Analysis and recommendations for future iterations.

List of the area in which queries were raised prominently:

1. Academic Advising:

- Course selection
- Major/minor requirements
- Graduation requirements

2. Study Skills and Time Management:

- Effective study habits
- Time management techniques
- Exam preparation strategies
- Career Planning and Development:

3. Health and Wellness:

- Mental health resources
- Physical wellness
- Access to counseling services.

4. Technology and IT Support:

- Access to online learning platforms
- Technical issues with computer systems
