ERP SYSTEM
Administration

The screenshot displays the ERP System Administration interface. The top navigation bar includes 'Dashboard Reports', 'Organization', 'Posts', 'Employee', 'Students', 'Academics', 'Events', 'Research', 'Communication', 'Planner', and 'Quick Reports'. The main content area is titled 'DASHBOARD REPORTS > HR DASHBOARD' and features three pie charts: 'Gender Wise Bifurcation', 'Post Type Wise Bifurcation', and 'Designation Wise Bifurcation'. A sidebar on the left contains 'Employee Count by Institute' and a search bar. The bottom section shows a user profile for 'Mr. Vaibhav Joshi (Department Level) Assistant Professor : Academic Administrator' with a menu of options like 'Batch Section Management', 'Faculty Course Planning', and 'Evaluation Parameter Configuration'. A 'JOB TRAY' and 'ALERT TRAY' are visible on the right side.
