Respected sir,

We have planned 5 days FDP on "IOT and Arduino" for MIT CIDCO faculties from 3 to 9 November 2023.

Sir, we selected this topic for FDP as it will be useful for development of projects from students. The topics covered in this FDP are

1. Introduction to Arduino and electronics (5 Hrs)
2. Arduino Programming and interfacing (5 Hrs)
3. Advanced Arduino Projects (5 Hrs)
4. IOT connectivity and data handling (5 Hrs)
5. Final Project and Real-world Applications (5 Hrs)

We have chosen this time for FDP as students will be on Diwali vacations and BAMU examinations are commencing from 21st November & our Diwali vacations are starting from 10 to 18 Nov 2023.

The remuneration for this FDP to resource person is Rs. 2000 per day i.e. total Rs. 10000 for five days. And we have to purchase 5 Arduino kit (one in five teachers) which will approximately cost Rs. 5000 & it will be useful in future for students projects.

Kind request to grant us total Rs. 15000 expenditure for faculty development.

Thanking you,

Dr. Mahendra H Kondekar
