## **Summary:**

The Internal Quality Assurance Cell (IQAC) plays a pivotal role in fostering and sustaining a culture of quality enhancement within educational institutions. IQAC serves as a mechanism for continuous improvement by developing and applying robust quality benchmarks and benchmarks for academic and administrative activities. It monitors and evaluates the effectiveness of various processes, identifies areas for improvement, and facilitates the implementation of quality enhancement initiatives. IQAC promotes a systematic approach to quality assurance through regular self-assessment, feedback mechanisms, and the development of action plans to address identified shortcomings. By coordinating internal and external quality assessments, facilitating faculty development, and ensuring adherence to accreditation standards, IQAC contributes significantly to the overall enhancement of educational quality, institutional effectiveness, and student learning outcomes.

NEP -2020 is going to be crucial transformation in the field of education. Role of teachers, Evaluation system, Grading, OJT and IKS in NEP 2020 were discussed in detail. All following points are also explained.
