Respected Sir,

With reference to the subject cited above we have organized 2 days workshop on “Entrepreneurship Development Program” on dated 15/02/2018 and 16/02/2018. The Chief Guest and the eminent speakers for the workshop was Mr.Bhagwan Raut(Managing Director-Vijay Engineering). Sir gave his valuable guidance on how to be a successful entrepreneur. He guided the students in becoming a successful entrepreneur. He has given the importance of high Quality product, Commitment, following time punctuality. Sir also guided on how to inculcate these habits by maintaining patience, hard work and focused behavior. He also said unless and until a person is having high desires and big dreams he cannot achieve success. Sir had shared his experience throughout his journey to the students for taking lessons from them.

Another chief guest and the key speaker of this program was Mr.Mayur Sonawane(Proprietor-Shree Samarth Engineering). He guided the students on selecting the product for manufacturing, in preparing the project file of the product to be manufactured. The documentation needed and from where and how to be fetched. By giving certain examples and in a very lucrative way he motivated the students on becoming an entrepreneur. Sir had also described the qualities an

entrepreneur should possess and also decision making qualities which are required for an entrepreneur. On the next day students were given opportunity to share their ideas on the topic “Start up India”. Students also interacted with the eminent speakers and clear their doubts on becoming an entrepreneur.
